Terms and Conditions Accepted

Q1. Which of the following describe your musical activity? (Select all that apply)

Performer (instrumentalist / vocalist)

Composer or arranger

Q2. Before using the Hi-Audio platform, did you use any other browser-based audio recording tools?

Yes

Q3. What platforms similar to Hi-Audio (for recording, collaborating and sharing multi-track compositions online) do you know?

Tool name

sonobus

Q4. Which DAWs, apps, or equivalent software for making music do you normally use?

Software/Tool name

ableton

vital

Q5. Do you usually record audio using an external audio interface (e.g. a sound card connected to a microphone or instrument)?

No — I use built-in audio (laptop or phone microphone)

Q6. Which musical instruments do you play, and at what level?

Instrument

Level

piano

Advanced

voice

Elementary

Q7. Which instruments or sounds did you record/upload to the Hi-Audio Radiophrenia 2026 Jam session?

Track content

spoken voice with sound effects

Q8. How did you add tracks to the Hi-Audio platform?

I uploaded tracks to Hi-Audio after recording them using my DAW

Q9. Did you measure latency using Hi-Audio's built-in method before you started recording?

Not applicable — I only uploaded files

Q11. How did you record/upload tracks to the Hi-Audio platform?

I recorded/uploaded tracks across different days

Q12. How long (approximately) did you spend using the Hi-Audio platform (e.g., recording, uploading, or managing tracks)?

Between 30 and 40 minutes

Q13. Which operating system did you use?

Windows

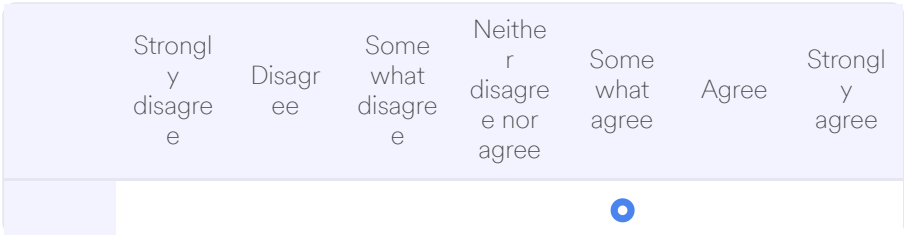

Q14. Which web browser did you use?

Firefox

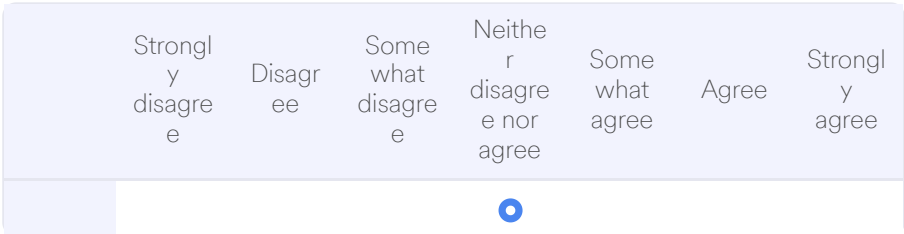

Q15. Did you use wired headphones/earphones (with a cable) or wireless (e.g. Bluetooth)?

Wired

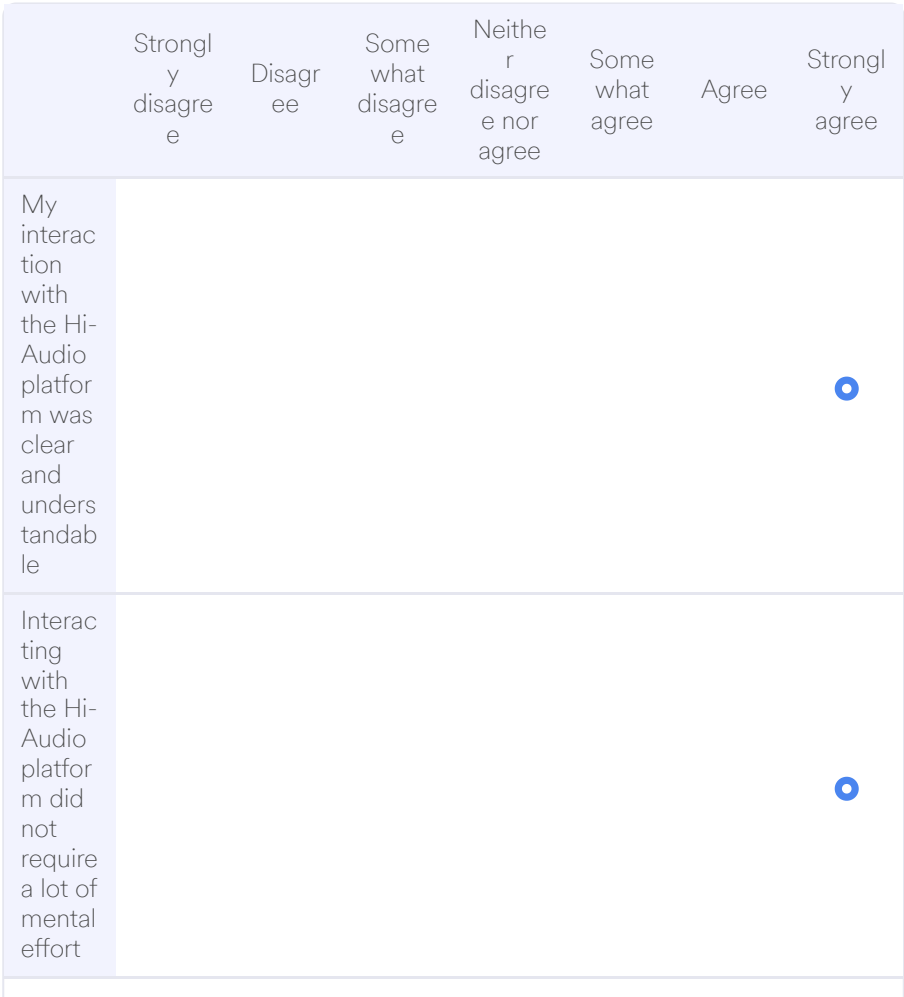

Q16. To what extent do you agree that the Hi-Audio platform meets the necessary standards as a professional audio recording application?

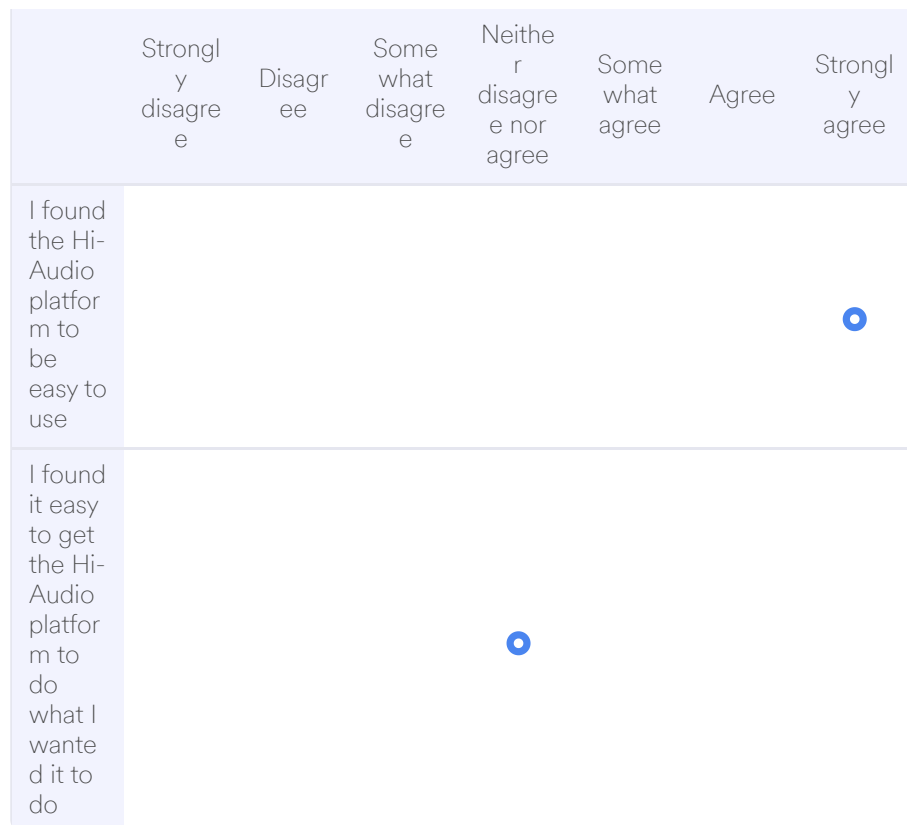

Q17. To what extent do you agree that the Hi-Audio platform facilitated your artistic intentions?

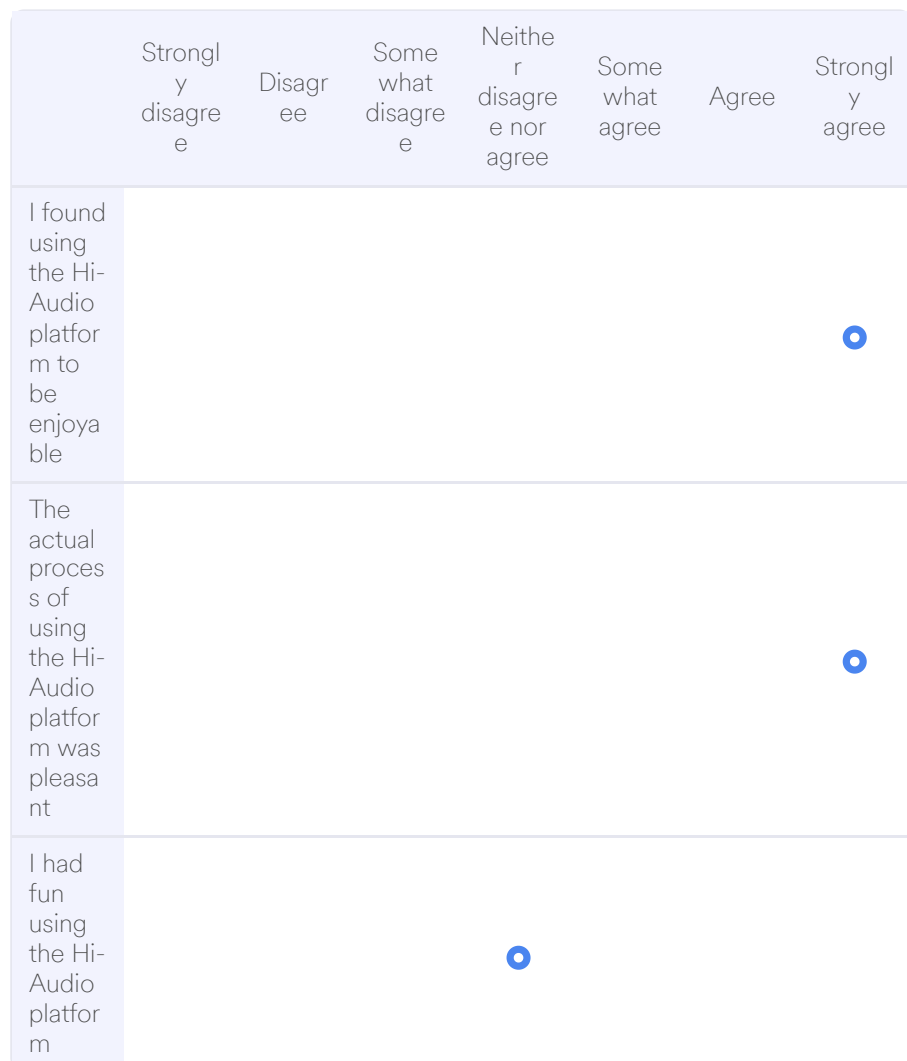

Q18. To what extent do you agree with the following statements regarding your initial experience using the Hi-Audio platform?

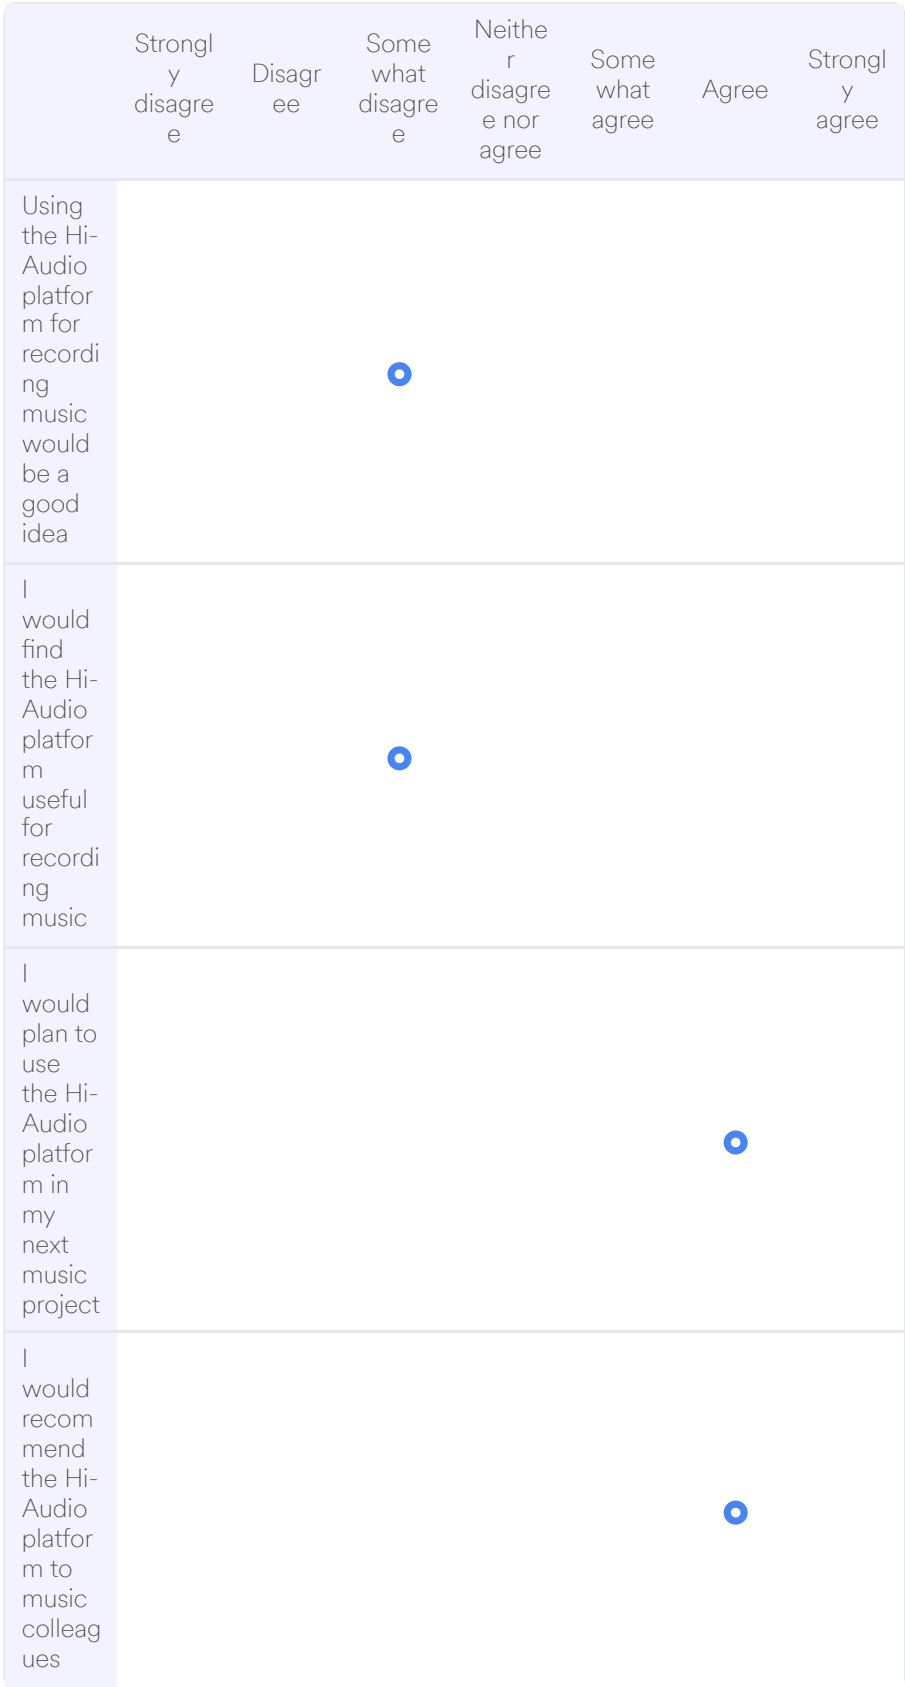

Q19. To what extent do you agree with the following statements regarding your personal experience using the Hi-Audio platform?

Q20.To what extent do you agree with the following statements regarding your potential future use of the Hi-Audio platform for audio recording?

Q21. What did you find most useful about the Hi-Audio platform?

Ability to collaborate
Easiness of use

Q22. Did you encounter any challenges when using Hi-Audio? If so, please describe them

Yes, i would have used it for recording if there was a way to cut, copy, and paste sections of the recording. It would also have been useful to manage the volume enveloppe instead of only adjusting the volume of the track
